If you are pregnant or breastfeeding your baby while using this medicine, please consult your doctor, pharmacist or other healthcare professional for advice.

Important information about some of the ingredients of Traumeel® S:

Preservative: 17,9 % m/m ethyl alcohol.

Using other medicines with Traumeel® S:

If you are using other medicines on a regular basis, including complementary or traditional medicines, the use of Traumeel® S with these medicines may cause undesirable interactions.

Please consult your doctor, pharmacist or other healthcare professional for advice.

4. How to use Traumeel® S

Do not share medicines prescribed for you with any other person.

Always use Traumeel® S exactly as your doctor has instructed you.

You should check with your doctor or pharmacist if you are unsure.

For external use only.

Avoid contact with eyes, mucosae, open wounds or broken skin.

The usual dose is:

Apply to the affected parts 1-2 times daily, or more often if necessary.

A dressing may be applied.

Replace cap tightly.

Do not use on open wounds.

If you use more Traumeel® S than you should:

In the event of overdosage, consult your doctor or pharmacist. If neither is available, seek help at the nearest hospital or poison control centre.

If you forget to use Traumeel® S:

Do not use a double dose to make up for forgotten individual doses.

5. Possible side effects

Traumeel® S can have side effects.

In isolated cases, hypersensitivity reactions may occur.

Local allergic reactions (skin inflammation) have been reported.

Not all side effects reported for Traumeel® S are included in this leaflet. Should your general health worsen while taking this medicine, please consult your doctor, pharmacist or other healthcare professional for advice.

If you notice any side effects not mentioned in this leaflet, please inform your doctor or pharmacist.

6. Storing and disposing of Traumeel® S

Keep all medicines out of the reach and sight of children.

- Store in a cool (below 25 °C) place.

7. Presentation of Traumeel® S

Tubes containing 50 g of gel.

8. Identification of Traumeel® S

Clear gel.

9. Registration number / Reference number

To be allocated by the SAHPRA.

10. Name and business address of the holder of the certificate of registration

ModHomCo (Pty) Ltd
96 Amsterdam Street, Clubview, 0157 Centurion
